5:20 p.m. Time | Agenda topic Fentanyl Handout | Presenter Linda Loya RN

Action items	Person responsible	Deadline
As with the energy drinks we talked what would be the best way to convey the message to parents and get the best bang. Informed group that Ms. Blount spoke with kids during drug awareness month about Fentanyl.	Linda Loya RN	

5:28 p.m. Time | Agenda topic Tucker's Law | Presenter Linda Loya RN

Action items	Person responsible	Deadline
Informed group that the curriculum for Tucker's Law is still Unavailable. Will inform as I get new information.	Linda Loya RN	

Discussion Conversation: Discussed issues of getting information to parents about the energy drinks and fentanyl such as: cost to mail, sending home with students. Group decided that the best route would be to post the information on facebook pages, parent portal, school website. Patsy brought up that the coke machine at Junior High has energy drinks in it. Asked Patsy to find out if they were requested.

Conclusion: Will continue to check on the curriculum for Tucker's Law. Will discuss with Ms. Ingram Superintendent possible getting the handouts posted on facebook, school website and parent portal.
