

# **SCHOOL HEALTH ADVISORY COUNCIL**

**2017-2018**

## ***Summary of Activities***

**April 23, 2018**

**We met 4 times: October 26, 2017; December 11, 2017; February 19, 2018 and April 11, 2018.**

**Members: Shelley Barron, Kellie Deters, April Martin, Rachel Hilliard, Joe Prado.  
( Wes Carroll and Della Hicks withdrew from the committee this year)**

- ★ **Discussed/debated campus security issues - locked doors, metal detectors, teachers w/ licensed-to-carry guns, etc.**
- ★ **Looked into and recommended participating in the SuperGoop! Ounce by Ounce sunscreen program for Pre-K thru First grade; and after approval by Mr. Stahnke, received a free large pump bottle of mineral sunscreen SPF 40 for the 16 classrooms (pre-K thru 1st) for students (and teachers) to use during recess or any outdoor activities. This program promotes skin cancer awareness and prevention.**
- ★ **Recommended bringing Rachel's Challenge to the JH campus. It is a well-received and award-winning program promoting kindness, accepting uniqueness and differences in each other and preventing bullying. (It was presented at the HS campus about 10 years ago).**
- ★ **Joseph Simmons, principal, met with the council and discussed concerns/issues at the JH. (including but not exclusive to Snap Chat; the StopIT app; resource officer doing assemblies on topics such as trafficking, drug awareness, and adding a teen leadership class at JH next year). Mr. Simmons answered many questions the council and parents have, and enhanced our knowledge of activities on the JH campus.**
- ★ **Discussed getting new members. Guinn Smith and Allen Wendt have agreed to serve on the committee starting the 2018-2019 school year.**
