30 MINUTES | 5:05 P.M. | Agenda topic HUMAN TRAFFICKING | Presenter LINDA LOYA RN

Discussed the presentation to board members in May the need for Unbound Now to speak to 6th-12th graders prevention, recognition of Human trafficking. Rough draft handed out of possible presentation to board.

10 minutes | 5:35 p.m. | Agenda topic Narcan | Presenter Linda Loya RN

Narcan policy has been added to ISD policy, will request authorization to dispense

10 minutes | 5:45 p.m. | Agenda topic Epi-Pen | Presenter Linda Loya RN

Epi-pen needs standing order from doctor before we can order. Does the ISD have a physician they use?

Discussed the need to have a physician to sign off on standing orders for Epi-pen and nurse's supplies. Also discussed the need for a doctor prescription or note for nurses to dispense prescription medications instead of just parental consent.

Have not received any more information in regards to the Telehealth program that was presented to us from Nikki Stark.
