TSIA2 INFORMATION

Ranger College recently implemented a TSI requirement update. Students who have 15 college credit hours are considered degree seekers. Therefore, they are required to meet the TSI requirements for the courses they choose to take.

- The MATH portion of the TSIA2 is required to take College Algebra (MATH1314).
- Both ENGLISH portions of the TSIA2 (Multiple Choice & Essay) are required to take College English, Government, History, and/or Biology. If you have previously taken and received credit for College English (ENGL1301), this serves as the exemption for the test, and you take any other classes requiring the TSI English requirement.

Students who have not completed 15 college credit hours are non-degree seekers and are not required to meet the TSI eligibility requirements.

Welding, Speech, Learning Frameworks, Art Appreciation, and Music Appreciation do not require students to take or pass any portion of the TSIA2 test.

It is your responsibility to send your passing score report to lfurlong@comancheisd.net.

BELOW ARE YOUR OPTIONS TO TAKE THE TSIA2 TEST:

Ranger College Virtual Option:

If you would like to take the TSIA2 Exam virtually, follow these steps.

Your ACCUPLACER test(s) will be proctored using Meazure Learning's ProctorU platform. With Meazure Learning's Live+ proctoring, a proctor will guide you through the testing process while your session is recorded and made available to your institution for academic integrity purposes. ACCUPLACER requires candidates testing remotely to complete a 360-degree room and desk scan. To get started, follow the steps below.

1. Payment of \$20.00 for RC Registration. To arrange for payment, contact the Student Payment Center, Ms. Evonne Cherry. Phone: 254-267-7042 | Email: echerry@rangercollege.edu

Once payment is confirmed and the contact information in *#4 is provided, a voucher will be created and you will receive an email from Accuplacer with further instructions.

2. An additional \$28.00 fee to Accuplacer/Meazure Learning ProctorU is required when registering for the online exam.

3. If this is your first attempt, you must take the Pre-Assessment practice test first.
