

Comanche ISD

Date: May 1, 2025

Dear Parents:

We are approaching the end of the 2024-2025 school year and there are a few reminders that will need to be completed.

- 1.) All medications will need to be picked up by the last day of school **May 16, 2025**(Unless you have talked with me, about picking them up on a different day) or they will be disposed of.
- 2.) Any immunizations received over summer break, remember to bring a copy to the school on the first day.
- 3.) Check the expiration dates on your Conscientious Exemptions (if you have one), if expired work on getting a new one for 2024-2025 school year.
- 4.) Prescription medications for 2025-2026 school year, have the doctor give you a prescription/note for your child to receive the medication at school, please remember to bring that when you bring your child's medication to school, this includes inhalers and nebulizer treatments. *Note* as per policy Nonprescription medication , upon a parent's written request, when properly labeled and in the original container can be dispensed.
- 5.) Inhalers that the child is allowed to carry, the Nurse's office must have on file an order from the Doctor stating that the child can carry the inhaler.
- 6.) Doctor's note for any food allergies your child may have.
- 7.) When you are registering your child online, please remember to fill out the forms for student health and food allergies.

We hope you and your family have a safe and memorable summer.

Thank you, Comanche ISD Nursing Staff,

Linda Loya RN, District Nurse, Elementary lloya@comancheisd.net
