

Comanche ISD Compensation Plan

Comanche Independent School District

2025-2026

This guide is for administering salaries and wages for employees of the Comanche Independent School District. The practices described are intended to implement local Board policy and goals, state and federal regulations, and appropriate accreditation standards. The Superintendent shall recommend a compensation plan for all District employees annually. The compensation plan may include wage and salary structures, stipends, benefits and incentives. The Board shall review and approve the compensation plan to be used by the district. [DEA Local Policy]

This plan is for the 2025-2026 school year only. Salaries paid to employees in prior years and to be paid in future years cannot be established from a review of this document. This compensation plan may be amended or updated as necessary to align with the mission of the district.

Pay Structures

The pay structures and stipends outlined herein were initially approved by the Comanche ISD Board of Trustees on August 12, 2025, and are effective for the 2025–2026 school year.

Subsequent revisions to these pay structures, incorporating the requirements of House Bill 2 (HB2), were approved by the Board on June 27, 2025.

BENEFITS AND INCENTIVES

Teacher Incentive Allotment (TIA)

For any funds received by Comanche ISD under the Teacher Incentive Allotment (TIA) program, 85% of the allotment will be allocated directly to the designated teacher. The remaining 15% will be reserved to support the ongoing implementation and sustainability of the TIA system. This includes funding for training and support, system expansion, incentive-based compensation for qualifying instructional-facing paraprofessionals, and professional development opportunities for staff.

Teacher Retention Allotment (TRA)

Under House Bill 2, Comanche ISD will receive funds through the Teacher Retention Allotment (TRA) to support educator retention. For the 2025–2026 school year, eligible teachers will receive salary increases ranging from \$4,000 to \$8,000, depending on factors such as experience, certification, and campus assignment. These salary increases are already reflected in our salary schedule listed on Pg. 3. Teachers must teach a minimum of 240 instructional minutes a day to qualify for TRA compensation.

All TRA funds will be used in accordance with state guidelines and local priorities to strengthen teacher retention across the district.

District Benefit Information

Comanche ISD contributes \$350 per month toward the cost of TRS ActiveCare health insurance premiums for all eligible, participating employees. This contribution helps reduce the employees' out-of-pocket cost for coverage. Those selecting TRS ActiveCare Primary (employee-only coverage) will pay \$142 per month after the district's contribution.

As part of our ongoing efforts to recognize and retain dedicated staff, Comanche ISD provides a \$500 retention incentive to all eligible employees. This incentive is paid out in the November payroll.

We also offer a free \$10,000 life insurance policy and free telemedicine services through 1-800-MD.
