1. Go to www.comancheisd.net → Parent tab → Grading Program → Ascender Parent Portal

2. Create an account → set up username and password → enter email → The email used to create the portal account **MUST** match the email address the school has on file for you. → click NEXT

3. Set up security questions → click NEXT → Message - "Your Ascender Parent Portal Account has been created". → Click on Finish

4. Parent Portal will open and a message will appear to say that your email has not been verified. → you will be sent an email to verify → click on "validate email" → You must verify your email for your parent portal account to work

5. Log back into the Ascender Parent Portal → click on "Link an enrolled student" → enter the student's Portal ID. If you don't know what your student's ID is call the school → enter the student's birthdate, using the mm/dd/yyyy format. Ex: 01/01/2007

6. Click on "ADD" in the bottom right corner → Add all your students enrolled in CISD to your account. Call if assistance is needed. → High School 325-356-2581
Jr High 325-356-5220
Elem 325-356-3900
