AN ORDINANCE

COMANCHE INDEPENDENT SCHOOL DISTRICT

levying an ad valorem tax for maintenance of the Comanche Independent School District for the year 2021.

BE IT ORDAINED BY THE BOARD OF TRUSTEES OF THE COMANCHE INDEPENDENT SCHOOL DISTRICT:

Section 1.

The following ad valorem tax for the year 2021 is hereby levied by and for the Comanche Independent School District on all property located within the district:

Maintenance and Operations

\$1.01600

per \$100 assessed valuation

Debt Service

\$0.14630

per \$100 assessed valuation

Total Tax Rate

\$1.16230

per \$100 assessed valuation

THIS TAX RATE WILL RAISE MORE TAXES FOR MAINTENANCE AND OPERATIONS THAN LAST YEAR'S TAX RATE.

THE TAX RATE WILL EFFECTIVELY BE RAISED BY .036946 PERCENT AND WILL RAISE TAXES FOR MAINTENANCE AND OPERATIONS ON A \$100,000 HOME BY APPROXIMATELY \$36.95.

No discounts are authorized for early payment.

Section 2.

If any provision of this Ordinance or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this ordinance are declared to be severable.

Section 3.

If it ever should be determined by a final adjudication that the levy of the ad valorem tax for the Comanche Independent School District for the year 2021 should have been in some form other than this Ordinance, then and in that event, the above and foregoing shall be considered to have been passed, approved, and adopted by the Board of Trustees of Comanche Independent School District as a Resolution or an Order or in whatever form is legally necessary to levy such ad valorem tax.

The above and foregoing Ordinance was passed, approved, and adopted by the Board of Trustees of the Comanche Independent School District on August 31, 2021, by the following vote:

FOR: Jason Pate Neil Dudley Sheila Stephens Mike Furlong Kay Hagood Harold Higginbotham

AGAINST: None

ABSENT AND NOT VOTING: Tracey Carr

GENERAL INFORMATION: Tax Code Section 26.04(c) requires an officer or employee designated by the governing body to calculate the no-new-revenue tax rate and voterapproval tax rate for the taxing unit. These tax rates are expressed in dollars per \$100 of taxable value calculated. The calculation process starts after the chief appraiser delivers to the taxing unit the certified appraisal roll or certified estimate of value and the estimated values of properties under protest. The designated officer or employee shall certify that the officer or employee has accurately calculated the tax rates and used values shown for the certified appraisal roll or certified estimate. The officer or employee submit the rates to the governing body by August 7 or as soon thereafter as practicable.

This worksheet is for school districts with Chapter 313 agreements only. School districts that do not have a Chapter 313 agreement should use Comptroller Form 50-859 Tax Rate Calculation Worksheet, School District without Chapter 313 Agreements.

Water districts as defined under Water Code Section 49.001(1) should use Comptroller Form 50-858 Water District Voter-Approval Tax Rate Worksheet for Low Tax Rate and Developing Districts or Comptroller Form 50-860 Developed Water District Voter-Approval Tax Rate Worksheet.

All other taxing units should use Comptroller Form 50-856 Tax Rate Calculation, Taxing Units Other Than School Districts.

The Comptroller's office provides this worksheet to assist taxing units in determining tax rates. The Texas Education Agency (TEA) provides detailed information on and guidance to school districts in calculating their tax rates. Please review and rely on information provided by TEA when completing this worksheet. Additionally, the information provided in this worksheet is offered as technical assistance and not legal advice. Taxing units should consult legal counsel for interpretations of law regarding tax rate preparation and adoption.

SECTION 1: No New Revenue Tax Rate

The no-new-revenue (NNR) tax rate enables the public to evaluate the relationship between taxes for the prior year and for the current year based on a tax rate that would produce the same amount of revenue if applied to the same properties that are taxed in both years (no new taxes). When appraisal values increase, the NNR tax rate should decrease,

Chapter 313 agreements allow a school district to Ilmit the value of certain qualified property subject to the agreement for the purposes of maintenance and operations (M&O) taxation. The value of the same property is not limited for the purposes of debt service, or interest and sinking (I&S) taxation. School districts that have entered into a Chapter 313 agreement must calculate the NNR tax rate for M&O and I&S purposes separately and then add together to determine the current year total NNR tax rate.

# g(=	No New Revenue Tax Rate Worksheet	Anyovust/dtate :
1.	2020 total I&S taxable value. Enter the amount of 2020 taxable value on the 2020 tax roll today. Include any adjustments since last year's certification; exclude one-fourth and one-third over-appraisal corrections made under Tax Code Section 25.25(d) from these adjustments. Exclude any property value subject to an appeal under Chapter 42 as of July 25 (will add undisputed value in Line 8). This total includes the taxable value of homesteads with tax ceilings (will deduct in Line 2). This also includes the taxable value of property subject to a Chapter 313 agreement prior to the limitation.	, 597,674,663

34.	2021 NNR M&O tax rate. Divide line 21 by line 32 and multiply by \$100. Please consult with counsel before using this rate for the purposes of Tax Code § 26.05(b).	\$_0.97980 _{/\$100}
35.	2021 NNR I&S tax rate. Divide line 22 by line 33 and multiply by \$100.	\$ 0.14212 _{/\$100}
36.	2021 NNR total tax rate. Add Line 34 and Line 35.	\$ 1.12192 _{/\$100}

SECTION 2: Voter Approval Tax Rate

The voter-approval tax rate is the highest tax rate that a taxing unit may adopt without holding an election to seek voter approval of the rate. Most school districts calculate a voter-approval tax rate that is split into three separate rates."

- 1. Maximum Compressed Tax Rate (MCR): A district's maximum compressed tax rate is defined as the tax rate for the current tax year per \$100 of valuation of taxable property at which the district must levy a maintenance and operations tax to receive the full amount of the tier one allotment.¹⁹
- 2. Enrichment Tax Rate (DTR): 20 A district's enrichment tax rate is defined as any tax effort in excess of the district's MCR and less than \$0.17. The enrichment tax rate is divided into 'golden pennies' and the 'copper pennies' School districts can claim up to 8 'golden pennies, not subject to compression, and 9 'copper pennies' which are subject to compression with any increases in the guaranteed yield.21
- 3. Debt Rate: The debt rate includes the debt service necessary to pay the school district's debt payments in the coming year. This rate accounts for principal and interest on bonds and other debt secured by property tax revenue.

The MCR and DTR added together make up the school district's maintenance and operations (M&O) tax rate. Districts cannot increase the district's M&O tax rate to create a surplus in M&O tax revenue for the purpose of paying the district's debt service, 22

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate (disaster pennies) in the calculation this year. This adjustment will be

A district must complete an efficiency audit before seeking voter approval to adopt a M&O tax rate higher than the calculated M&O tax rate, hold an open meeting to discuss the results of the audit, and post the results of the audit on the district's website 30 days prior to the election. 23 Additionally, a school district located in an area declared a disaster by the governor may adopt a M&O tax rate higher than the calculated M&O tax rate during the two-year period following the date of the declaration without conducting an efficiency audit. 24

Districts should review information from TEA when calculating their voter-approval tax rate.

SECTION 3: Voter Approval Rate Adjustment for Pollution Control

A school district may raise its rate for M&O funds used to pay for a facility, device or method for the control of air, water or land pollution. This includes any land, structure, building, installation, excavation, machinery, equipment or device that is used, constructed, acquired or installed wholly or partly to meet or exceed pollution control requirements. The school district's expenses are those necessary to meet the requirements of a permit issued by the Texas Commission on Environmental Quality (TCEQ). The school district must provide the tax assessor with a copy of the TCEQ letter of determination that states the portion of the cost of the installation for pollution control.

This section should only be completed by a school district that uses M&O funds to pay for a facility, device or method for the control of air, water or land pollution.

50.	Additional rate for pollution control. Divide line 48 by line 49 and multiply by \$100.	ş 0.00000 _{/\$100}
51.	2021 voter-approval tax rate, adjusted for pollution control. Add line 50 and line 47.	s 1.13334 _{/5100}

SECTION 4: Voter Approval Tax Rate Adjustment in Year Following Disaster

If a school district adopted a tax rate that exceeded its voter-approval tax rate without holding an election to respond to a disaster in the prior year, as allowed by Tax Code Section 26.042(e), the school district may not consider the amount by which it exceeded its voter-approval tax rate in the calculation this year. 35 As such, it must reduce its voter-approval tax rate for the current tax year.

NOTE: This section will not apply to any taxing units in 2021. It is added to implement Senate Bill 1438 (87th Regular Session) and does not apply to a school district that adopted a tax rate without the required election in 2020, as provided for in the recently repealed Tax Code Section 26.08(a-1).

In future tax years, this section will apply to school district in a disaster area that adopts a tax rate greater than its voter-approval tax rate without holding an election in the prior year, as provided for by Tax Code Section 26.042(e).

Mag	Prior Year Disaster Adjustment Worksheet	Amount/Rate
52.	2020 adopted tax rate. Enter the rate in Line 4 of the No-New-Revenue Tax Rate Worksheet.	\$ /5100
53.	2020 voter-approval tax rate. If the school district adopted a tax rate above the 2020 voter-approval tax rate without holding an election due to a disaster, enter the voter-approval tax rate from the prior year's worksheet.	\$/\$100
54.	Increase in 2020 tax rate due to disaster (disaster pennies). Subtract Line 53 from Line 52.	\$ /\$100
55.	2021 voter-approval tax rate, adjusted for prior year disaster. Subtract Line 54 from one of the following lines (as applicable): Line 47 or Line 51 (school districts with pollution control).	\$/\$100

SECTION 5: Total Tax Rate Indicate the applicable total tax rates as calculated above. , 1.12192 /S100 No-New-Revenue Tax Rate ... Enter the 2021 NNR tax rate from Line 36 , 1.13334 /S100 Voter-Approval Tax Rate. As applicable, enter the 2021 voter-approval tax rate from Line 47, 51 or Line 55. Indicate the line number used: 47,00000

SECTION 6: School District Representative Name and Signature

Enter the name of the person preparing the tax rate as authorized by the governing body of the school district. By signing below, you certify that you are the designated officer or employee of the school district and have calculated the tax rates in accordance with requirements in Tax Code and Education Code, 15
