What Is a Parent-Teacher-Student Compact?

Our annual parent-teacher-student compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress

**When teachers, students, and families work together, we
CAN achieve our goals!**
