Comanche Elementary Vision Statement:

We aim to rise above the ordinary by developing students who are able to transform lives and communities. We aim for each student to reach their full potential in body, mind, and spirit.

Comanche Elementary Mission Statement:

We seek to spark student's interests in knowledge and creative work by active involvement in problem solving/research. Logical and creative thought is developed along with the ability and desire to work in collaboration for the good of society. Children will be taught to be global thinkers, capable of nonstandard thought.

Comanche Elementary Goals:

- Students will attain a minimum of one year's growth in all subjects taught
- Students will be taught by a highly qualified teacher and paraprofessional staff
- Students will be educated in learning environments that are safe, drug free, and conducive to learning
- Students will graduate from high school and be deemed College, Career, or Military Ready
- Parents and the community will be partners in the education of students at Comanche Elementary

What Is a Parent-Teacher-Student Compact?

Our annual parent-teacher-student compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home. Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

**When teachers, students, and families work together, we
CAN achieve our goals!**
