

COMANCHE ISD

2022-2023 Teacher Incentive Allotment

PHASE 1 TIA Timeline

April 15, 2022	TIA Application Submitted by CISD to TEA for approval
August 2022	CISD will receive notification from TEA of program approval or disapproval. If the program is approved, we begin the data capture year in 2022-2023 school year.
August 2022	Phase 1 teachers will be trained during in-service.
September 2022	Phase 1 teachers will administer beginning-of-year pre-test for all students. Growth goals will be set for each individual student following Pre-tests. Dates will be set for Fall and Spring formal observations.
December-January 2023	Mid-year MAP assessments will be given in ELAR, Math, & Science to develop targeted improvement plans.
April- May 2023	End-of-year assessments and post-tests will be administered. Administrators will calculate student growth percentages. Summative T-TESS conferences will be conducted and T-TESS data will be converted to percentages.
Summer 2023	Administrators will review data from all participating teachers to determine which teachers to submit to TEA for designation consideration.
Nov. 1, 2023	CISD will submit data to TTU for processing and validation for each teacher submitted for designation.
February 2024	Final approval notification from TTU
April 2024	Final designations and allotment notification
June 2024	Initial payout of allotment funds to designated teachers.
